Triple Toe Primary is a provincial private school that is located in a well – populated residential estate in Johannesburg South Africa. We are a standard private school that is composed of primary (kindergarten through sixth grade) and proposed future secondary (seventh through 12th grade) educational institution that will be predominantly funded through tuition fees and levies from students and of course from other private sources.

Triple Toe School is a client-focused and result driven private school that provides broad-based learning approaches and experience at an affordable fee that won't in any way put a hole in the pockets of our clients (students and parents alike).

### Our Products and Services

Triple Toes Primary School is going to offer varieties of educational services within the scope of the education board in the Gauteng region. Our intention of starting our private school is to soundly educate people in various subjects from the education cum private schools industry and we will do all that is permitted by the law in the RSA to achieve our aim and business goal.

Our service offerings are listed below;

- Teaching basic literacy and numeracy
- Establishing foundations in science, mathematics, geography, history and other social sciences
- Constantly working hard to meet regulatory accreditation standards
- Administering private funding efforts
- Providing access to extracurricular activities
- Retailing of Educational Books and Materials
